The Feast of San Gennaro

Celebrate Italian Heritage!

Eddie Capone

Cristina Fontanelli

Viva Napoli! You don't have to be Neapolitan or even Italian, to appreciate the great music and cuisine of that beloved city. San Gennaro is the Patron Saint of Naples and we're celebrating his Saint's Day in grand style. Starring renowned Italian-American Soprano, **Cristina Fontanelli**, a favorite artist at Italian Festivals, in concerts and in operas throughout the world. She always

pleases with beauty, charm and the voice of an angel. Co-starring hysterically funny Italian-American comic, **Eddie Capone**. Eddie brings down the house every time with side-splitting stories about growing up, and getting older Italian-style. Plus day-long dancing and listening delights with the **Ace In the Hole All-Star Band**.
