Come and celebrate "the Reason for the Season" with two remarkably talented ladies. Jamaican-born contralto, **Charmaine DaCosta** and soprano **June Townes** are well-matched in voice, artistry and spirit. This is a birthday party for Jesus, so be prepared to praise his name! With sacred and secular seasonal songs, backed by the superb **ETC Band**, Charmaine and June will have your Christmas Spirit in overdrive. Plus we're celebrating Kwanzaa with the fabulous **Seventh Principle African Dance Ensemble**. So wear your dancin' shoes and join in the fun. Delicious holiday cuisine, gorgeous decorations and holiday boutiques galore round out a perfect Christmas Party.
