Welcome to Guido Gulch - The Wild, Wild West with an Italian twist. Yep, sort of like Gunsmoke with marinara sauce! Come on and join the fun!! You could be a cowpoke, a dancehall girl, a bandit, a deputy or even an injun chief. **The Mighty Ace In The Hole Art Players** strike again, with a star-studded cast. Leading the mayhem are two of our most beloved stars - masters of the zany, wacky and ridiculous: **Uncle Floyd Vivino** and **Laura Roth**. Co-starring **Tubby Tubello** as the sheriff, **Michael T. Wright** as the deputy, **Tommy Walker** as the badguy and **Marilyn & Will Roy** as the proprietors of The Golden Meatball Saloon. All of this madcap tomfoolery is ably aided and abetted by the renowned **"I Ragazzi" Band**.

*So be sure to be there - and pass the  
parmigiana, pardner!*
